BOUNTIFUL PROPOSES CONSERVATIVE 2010-11 BUDGET

As the recession drags on into a second year, Bountiful City has prepared a proposed budget that will allow Bountiful citizens to go yet another year without increased taxes or fees. The proposed 2010-11 budget of \$55 million will be the subject of a public hearing on Tuesday, June 8th at 7:30p.m. in the City Council chambers. Copies of the budget are available online at the city's web site (bountifulutah.gov) or in the city offices.

"We believe Bountiful City, like all governments, should live within its means, while providing for the needs of our citizens," stated Mayor Johnson. "Too often the easy thing to do when revenues go down is to raise taxes or increase fees. We believe such increases should only be a last resort, and everything that can be cut has been eliminated from the city budget." For example, for a second straight year Bountiful's employees will not receive any cost-of-living adjustment, and in addition will be required to pick up increased health care expenses for a decreased health coverage plan. Travel and training has been reduced to the minimum necessary to maintain required training and certification for employees. Overtime has been eliminated except where necessary to provide

essential services, such as snow plowing, major crime scene investigation, water leaks, power interruptions, or other situations requiring an immediate response. Many part-time positions have been eliminated, and some full-time positions have and will be left unfilled in all departments, including the police department.

"Bountiful has always prided itself on being a conservative, pay-as-you-go city, and this pride is reflected in the 2010-11 budget," remarked City Manager Tom Hardy. "The city has no taxpayer debt, and we have constantly strived to maintain the city's infrastructure in an excellent state of re-

pair."

One project that is not in the 2010-11 budget is a planned expansion of the 200 West power plant, to add 26 megawatts of generating capability to meet peak electrical demands in the summer. The project requires an air quality permit from state and federal regulators. At such time as those air quality approvals are given, the \$25 million project will require the city to bond, and will result in an electrical rate increase. However, by using funds currently set aside, the hope is that the rate increase will be limited to 6%.

ROTARY COATS FOR KIDS CAR SHOW

It's show time and the Bountiful Rotary Club is gearing up for their 12th annual "Coats for Kids" Car Show extravaganza. It will be held Friday evening, June 11, along Bountiful's Historic Main Street, and Saturday June 12 in the Bountiful City Park at 200 West and 400 North.

Proceeds from this event go to clothing children in new and warm winter coats, boots, and mittens. Over 4800 children in our community have been served with funds from this event over the past 11 years. The Rotary Club appreciates the incredible support of the community, Bountiful City, and the many generous sponsors who have made this event so successful. Because the food and prizes are donated, when you register your car, purchase food and drinks, or participate in the drawings, games and contests, your dollars go directly to the children. So come, bring your family for dinner and enjoy a wonderful night together while doing something positive for your community. Remember, it's all about the kids!

The Friday Night Street Party on Main Street will begin at 6:00 p.m. There will be a parade of spectacular show cars at 6:30 and an array of activities for the whole family including lots of food, a climbing wall, music by the "Go Dog Go" Band, and much more. A special event will be the Burt Brothers Tire Burn Out at 7:30 pm. You won't want to miss it!

Saturday begins at 10:00 a.m. in the Bountiful City Park. In addition to all the great cars on display, there will be more good food and lots of games and activities for the family. You can win a chance for a new set of tires by joining in the Burt Brother's tire roll challenge. You'll definitely want to enter the drawing to win the grand

prize of a Polaris Youth ATV donated by Tri-City Performance.

There will be a special patriotic program at 12:00 noon, and Show Awards will be presented at 3:00 p.m.

Come, bring the family and enjoy the festivities. Or, if you prefer, just sit under a large shade tree by your "baby" and chill out . . .

EMERGENCY PREPAREDNESS FAIR

Mark your calendar now for Bountiful City's annual Emergency Preparedness Fair! It will be held on September 11, 2010, at Bountiful High School. If you are interested in participating as a sponsor, please contact Corporal Jon Hadlow (jhadlow@bountifulutah.gov), Curtis Tengan (cstengan@vionics.com) or Councilmember Beth Holbrook (bholbrookinc@msn.com). Look for more information in our August newsletter!

Cool Efficiently

As much as half or more of the energy used in your home goes to heating and cooling. So making smart decisions about your home's air conditioning (A/C) system can have a big effect on your utility bills, and your comfort this summer.

- The average residential A/C unit (3-6 tons) will cost approximately \$0.37 to \$0.74 per hour.
- Increase your thermostat 2 or 3 degrees and save 1% for each degree raised.
- Install a programmable thermostat. A programmable thermostat is ideal for people who are away from home during set periods of time throughout the week. Through proper use of

pre-programmed settings, a programmable thermostat can save you about \$180 every year in energy costs.

- Close curtains or blinds when the sun is shining directly in the windows.
- Leave A/C off and open windows (especially in mornings) when the temperature is cooler outside.
- Seal your heating and cooling ducts and tune up your HVAC equipment regularly.

Your conservation efforts are appreciated. Together we can all work towards a pleasant and more efficient summer.

FORE!

With the winter weather behind us (hopefully) and the spring season just around the corner, the Bountiful Ridge Golf Course is again getting back into *full swing*! Along with our daily play, we are looking forward to another exciting and fun-filled season of golfing activities offered through our men's and women's golf associations as well as our junior golf programs. These programs provide many great playing opportunities for golfers of all abilities. For those of you in need of a spring tune-up on your golf swing, you can contact

the golf shop for lesson appointments and details about our instructional programs.

Rated Utah's "#1 municipal course" to play, and nationally as a "The Best Value" by *Golf Digest Magazine* in August 2009, Bountiful Ridge Golf Course also continues to serve as an excellent venue for corporate and group tournament outings. For more information about our programs, association activities, and tournament information you can contact the Bountiful Ridge golf shop at 801-298-6040. We are looking

forward to another great golfing season. See you at the golf course!

BOUNTIFUL CITY CEMETERY NEWS

Our favorite time of year is fast approaching! We love the beautiful flowers placed at the cemetery over the Memorial Day weekend and watching families gather together while remembering their loved ones. The Bountiful City Cemetery staff works very hard to prepare for the holiday, and we'd like to remind visitors of a few dates:

- **Monday, May 24th** (the Monday prior to Memorial Day) - first general clean up day. Please do

Memorial Day 2009

not deliver flowers or decorations to the cemetery prior to Thursday of that week.

- **June 7th** (the Monday after Memorial Day) - second general clean-up day. Please pick up any flowers or decoration you want to save before that date.

Remember: it's never legal to take anything off a grave you do not own. We hope you'll have a chance to visit or drive by and enjoy the flowers this year!

Please note: The only primary election for Bountiful residents that had been determined at press time is for State Representative Allen's seat. It was not yet determined if there would be a primary election for U.S. Senator Bennett's or State Representative Edwards' seats. Please check the Davis County website below (or call) to see if there is a primary election in your precinct after May 8th. You must be a registered Republican to vote in the Republican primary election.

Remember: All voters must provide identification at the polling place.

To find your precinct, or other voting locations and times visit www.daviscountyutah.gov or call 801-451-3589

BOUNTIFUL CITY WATER PROJECTS

Along with the May flowers, spring also signals the emergence of construction equipment to work on the maintenance and replacement of city water lines. Pipeline replacement project locations and dates of construction are as follows:

Water Line Projects

- Woodland Lane/Westwood Rd/500 E-April-May
- 600 East: 900 N to 600 N-June
- 2200 South: Orchard Dr to 150 E-July
- 650 North: Main St to 350 E-July-August
- 850 East: 1050 N to 1200 N-July
- 650 E/E. Hills Dr from 1400 N to 700 E-August

Please note that dates are approximate; affected residents will be given written notice a few days in advance.

Cross Connections

As you work with your sprinkler systems this season please remember to avoid any form of cross-

connection between the public drinking water system and the secondary irrigation system (It's the law!). A cross-connection can result in contamination of the public drinking water supply. For more information, please call the Water Department at 801-298-6180 or check our web site (www.bountifulutah.gov).

Automated Meter Reading (AMR)

We are now reading virtually all customer meters via drive-by radio transmission. Property owners are responsible to make sure the water meter is accessible for City employees. During the growing season, plants can cover a water meter box very quickly, so please trim bushes, trees and grass that block the way or cover the meter so it can be easily accessed or in case of an emergency. The AMR data collector is located underneath the meter lid, with a wire that goes to the meter register. Be sure your meter enclosure lid is securely fastened so damage will not occur to the electronic parts, and for pedestrian safety. Please call the Water Department immediately at 801-298-6180 to report a loose, missing or damaged lid.

BOUNTIFUL HANDCART DAYS

The Bountiful Handcart Days theme for 2010 is "Traditions Then and Now". Events include:
